### REMARKS

This application is a division of U.S. Patent Application Serial No. 09/320,543, filed May 27, 1999.

Claims 1-40 were originally filed. In this Preliminary Amendment, Applicant has canceled claims 1-40 and added new claims 41-52. Accordingly, claims 41-52 will be pending herein upon entry of this Preliminary Amendment, prior to calculation of the filing fee and examination on the merits. No new matter has been added.

Applicant respectfully requests a favorable action on the merits of the pending claims. Should the Examiner have any questions or determine that any further action is desirable to place this application in condition for issue, the Examiner is encouraged to telephone Applicant's undersigned representative at the number listed below.

SHAW PITTMAN LLP
